# InterGroup ProviderPlus™

POWERED BY InstaMed®

**InterGroup ProviderPlus™** offers an integrated suite of solutions that transform healthcare payments, so your experience is simple, convenient, reliable and secure.

**Real-Time Claim Processing** delivers real-time processing and pre-adjudication on every claim... so you can detect claim errors prior to submission.

**Real-Time Status and Eligibility** allows claim-status inquiries and eligibility checks in seconds with the push of a button!

**Automated Payment\*** allows you to pre-authorize eligibility, estimate payment, pre-authorize patient funds at the point of service... and then get a direct deposit of the patient payments upon claim adjudication. For all payers, all cards, and all banks.

**Patient Payment Portal\*** allows you to increase collections by offering your patients a simple, convenient and secure way to pay online with credit, debit, or the increasingly common varieties of healthcare accounts.

**Front & Back Office Payments\*** lets you increase collections and cut costs by accepting payment cards, checks and cash with automated payment posting to your billing system.
